Collection for the Church in Central and Eastern Europe

Dear Brothers and Sisters in Christ,

In Eastern Europe, in the Caucasus region, the small country of Georgia nestles between Armenia and Russia. In 1921 Georgia was taken over by the Red Army and became one of the first countries to be incorporated into the Soviet Union. After 70 years of oppression under the Soviet regime, the Georgian people declared independence in 1991, and the Church entered a new era of freedom.

No longer ruled by a repressive regime, the Georgian people are rebuilding the Church and society after decades of persecution. They have made strides to heal their wounds, but work remains to be done. Catholics in Georgia live primarily in rural villages, where it is all but impossible to find medical care. Vulnerable populations like the elderly, disabled, children, and expectant mothers suffer the most.

But because of you, this suffering is being alleviated by the love of Christ. With your support for the Collection for the Church in Central and Eastern Europe (CCEE), the Church in Georgia has worked through the network of parishes to expand medical services to respond to the needs of these remote villages. Many of our brothers and sisters who live in these villages now have access to qualified nursing services, doctors, and medication. Your generosity is balm for the wounds of an abandoned people. You are bringing the light of Christ and strength of his healing so they know that they are not forgotten.

Thank you for your prayerful support of the Church in Central and Eastern Europe.

Sincerely yours in Christ,

Most Reverend Thomas G. Wenski
Archbishop of Miami

Remembering those we have lost and thankful to those who have made sacrifices to ensure our freedom.

THE PARISH OFFICE WILL BE CLOSED ON MONDAY, MAY 27.
