

A black and white photograph of Audrey Hepburn, styled after her iconic role in 'Breakfast at Tiffany's'. She is shown from the chest up, looking slightly to the right. Her hair is pulled up into a classic bun. She is wearing a dark, possibly black, dress with a white lace or beaded detail at the neckline. She is holding a thin, dark lipstick tube to her lips, as if about to apply it. She is wearing large, dark, ornate earrings. The background is plain white.
